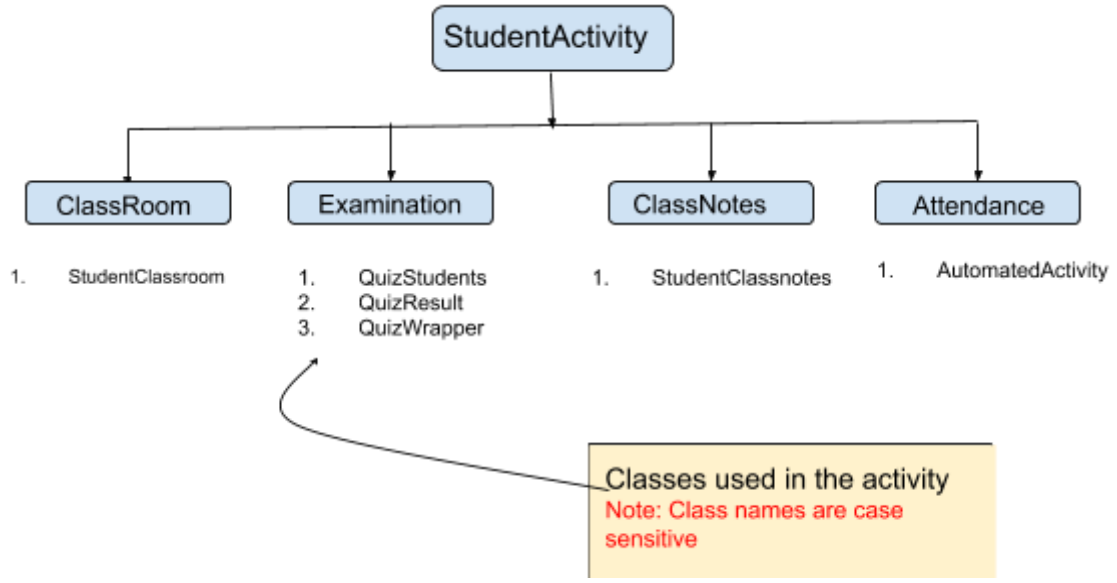
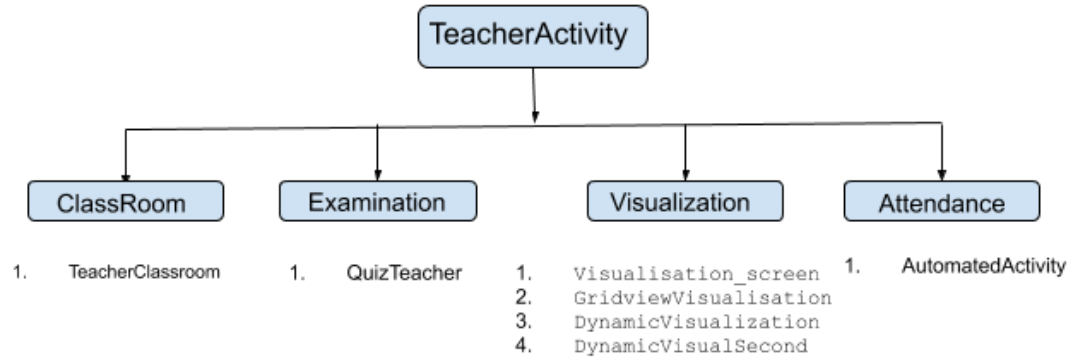
VedinkaSa Documentation

Class flow

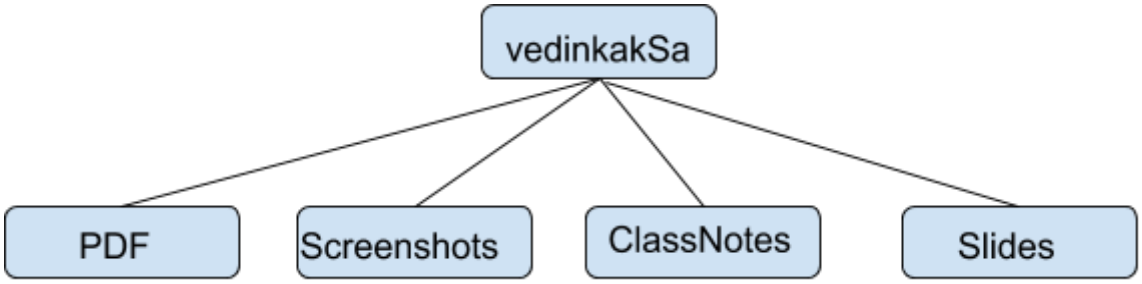
(how classes are connected)





Some basic Idea

For teacher’s side create a “vedinkakSa” folder in phone memory
then create few sub folders
(a) Screenshots (b) “PDF” (c) “ClassNotes” (d) Slides



- Save ppt in pdf format inside “PDF” sub folder to show slides in teacher’s classroom activity. Current slides will automatically get saved to empty.jpg file.

- For student’s side create a “vedinkakSa” folder in phone memory
- Then create few sub folders “ClassNotes” to save class notes. The class notes will be saved by date-time stamp format(date-time) e.g. PDF_02072019065359.pdf
- On the teacher's side add options of the quiz separated by comma.
